

Job Title: Associate Vending Repair Technician

Location: Bloomington/New Brighton/Remote

Salary: \$19.00 - \$21.00/hr.

Mars Supply is seeking a talented individual to join our Supply Management Solutions (SMS) team as an Associate Vending Repair Technician. This position requires strong mechanical/electrical and computer aptitude skills. You would be servicing our industrial supply vending machines at client locations and assisting our SMS department in setting up new client vending programs. Our ideal candidate is a dependable problem solver who can work independently and possesses excellent customer service skills. If you seek a workplace that is family-owned, smaller in size, has excellent employee benefits and strong core values, then this might be the job for you!

Duties Include:

- First responder for vending machine repairs
- Leader of preventative maintenance for our vending machine programs
- Facilitator of new client vending programs

Requirements and Qualifications:

- Experience in repairing computerized vending systems or 2-year degree in related field
- Intermediate use of MS Excel and Word
- Excellent mathematical and communication skills
- Ability to work independently, while supporting the SMS team
- Strong customer service skills

Mars Supply is a family-owned industrial distributor founded in 1924 in Duluth, MN.
