Once that is done, we will keep you up-to-date on all the details. Before the end of 2022, more program specifics will be released including how to officially enroll in the program.

HOW TO EARN

You'll be assigned minimum goal which equates to your previous years sales. Once that goal is met, all your points become redeemable. You will also be assigned a growth goal. When you exceed your growth goal, your points will acquire 3X faster! Customers must be in good credit standing with Mars Supply for points to be issued each month. You'll earn points for all invoiced items purchased from Mars Supply. Below is the point structure:

- **Two points per dollar for purchases up to your goal**
- **Six points per dollar for purchases over your goal**
- **You can also earn bonus points by participating in promotions from our program sponsors as well as "Learn & Earn" opportunities.**
- **There will be an enrollment bonus if you sign up before March 1, 2023.**

HOW TO TRACK YOUR EARNINGS

When enrolled, the **Mars Supply Rewards Program** will track your progress. It will also provide your current point balance and status. Additionally, you can view promotions and Learn & Earns, and access the reward center where you will redeem all your points!
