

Featured Hose for Craft Breweries

PURPLE SNAKE® Beverage Hose

Internationally the #1 hose for the brewing and beverage industry!

PURPLE SNAKE® is the ideal hose for breweries, winepresses, bottlers and many other installations in the brewing, beverage and spirits industry. The white, non-porous and smooth CIIR lining is absolutely neutral to taste and odor, homogeneous, smooth and free of plasticizers. Flexibility, pressure resistance and long service life – even under extreme working conditions.

Suitable for pure alcohol up to 98% • Temperature range up to +85°C (+95°C max. 60 minutes)

• Can be steamed up to +130°C (max. 30 minutes) • Working pressure up to 16 bar • Reinforcements: synthetic fibers • CR/SBR/NR-cover, resistant to ozone, weather, UV and abrasion
