V-FORM™ Full Body Safety Harness

- » The patent-pending RaceFORM buckle allows for a close comfortable full body harness fit - eliminating the need for a bulky chest strap
- » Athletic cut that contours to the body and allows for increased upper torso mobility
- » Pull-down adjustment allows for quick and easy harness adjustment that ensures a proper fit that lasts throughout the work day
- » Variety of configurations available, including stainless steel hardware for tough environments
- » **Applications:** Working at Heights, Turnarounds & Plant Maintenance

V-FORM+™ Full Body Safety Harness

- » The patent-pending racing style buckle allows for a close comfortable full body harness fit - eliminating the need for a bulky chest strap
- » Soft shoulder padding responds to your movement, eliminating pressure points and chafing
- » Athletic cut that contours to the body and allows for increased upper torso mobility
- » Pull-down adjustment allows for quick and easy harness adjustment that ensures a proper fit that lasts throughout the work day
- » Dedicated attachment point for Personal Fall Limiters allows quick and easy attachment and allows your back D-Ring to remain free for other use
- » 4 lanyard keepers - including 2 at the waist, increase comfort and reduce chafing by keeping lanyards away from your under arms
- » **Applications:** Working at Heights, Turnarounds & Plant Maintenance
