

# Endura® 378GTXOT

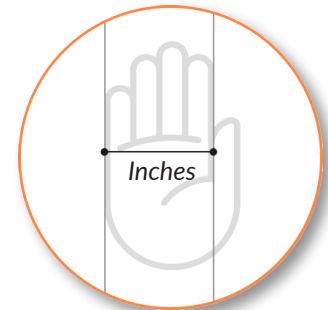

**Get a grip on protection without sacrificing comfort!**

For users in warm environment industries, we've created the first leather driver gloves to feature a TenActiv™ liner that is cool to the touch, softer, more comfortable and more breathable than other liner materials. These gloves feature ANSI A5 cut resistance as well as ANSI Puncture Level 4.

- TenActiv™ lined goatskin driver with ANSI Level A5 cut-resistance
- Ergonomic palm padding adds grip and improves dexterity
- ANSI Level 4 puncture protection
- Hi-visibility orange fingertips

**Applications:**  
Construction, Metal Fabrication, Mining, Utilities

**What size?** A proper fit is extremely important. An uncomfortable fit causes hand fatigue and ultimately could lead to a potential workplace hazard. Measure the width of your hand from the base of your first finger and across your knuckles ▶▶
