What's New?

M 2022-2023

Mars Supply Rewards Program

As a valued customer of Mars Supply, we would like to invite you to enroll in our **NEW Mars Supply Rewards Program**. We appreciate your loyalty and partnership and want to help you achieve your next destination, whether it be your choice of name-brand merchandise, event tickets and unique experiences, travel and vacation packages, and even more. Visit https://www.marssupply.com/mars_supply_rewards to learn more. This program started January 2023, but it's not too late to join!

Sump Cleaner Rental Program

Mars Supply is excited to announce our **NEW Sump Cleaner Rental Program**!

Partnering with **Master Fluid Solutions**, we now **rent** a high-suction sump vacuum with enough power to remove fluid and heavy sludge from CNC coolant/oil tanks. With our daily rental option, you can use the CECOR® Sump Shark® SE15-60PL when you need to clean out machines quickly. If you don't have the space or capabilities for maintaining your own sump cleaner, just rent one when you need it!

For just **\$75 per day***, you can keep your sumps clean and odor-free. ***NOTE:** If you are replacing your current coolant/oils with **Master Fluid Solutions** products, the sump cleaning service is **NO CHARGE** to assist with the transition.

Gas Monitor Rental Program

Mars Supply is excited to launch our **NEW Gas Monitor Rental Program**! Partnering with **MSA**, we rent, sell and service premium gas detection and monitoring systems, offering a large inventory of gas detection systems for industrial and mining industries. You can trust Mars to calibrate and maintain your equipment with foremost quality and proficiency. Contact our trained gas detection specialist today and learn more about this **NEW** value-added service.

Mars Supply LTL Local and Regional Shipping

Mars Supply knows you like our AM/PM* delivery service so we recently added a brand **NEW** 26' dock high truck to our fleet! This new truck enables us to deliver 55-gallon drums of coolant and multi-pallet loads right to your door.

- **Mars Supply LTL** ~ This service will be used for the seven metro counties nearest our NBDC location. The delivery rate for Mars Supply LTL is \$65.
- **Mars Supply Regional LTL** ~ This service will be used for any deliveries outside the seven metro counties. The delivery rate for Mars Supply Regional LTL is \$165.

Mars Supply Mobile Jobsite Tool Crib

Downtime costs money. Having the right tools, for the right job, at the right time can be critical for any successful project. Increase productivity by keeping workers fully supplied with the products they need. See how a mobile supply presence can improve your bottom line.

Customer Managed Inventory (CMI)

Successful inventory management is a tough task so, fortunately, there is a system out there that can take a lot of pain out of the process ~ Mars Supply **Customer Managed Inventory** or **CMI** for short. Do you spend too much time using outdated methods for inventory management or purchase order processing? Learn how Mars CMI can streamline and better organize your daily purchasing process.

Supply Management Solutions (SMS)

The practice of providing customized supply chain management programs has been around at Mars Supply for more than 30 years. Our Supply Management Solutions group (SMS) offers sophisticated cost-reduction programs which are fitted to your needs. Maintaining an efficient and organized flow of products is vital to the success of a company. Our SMS team has built a solid track record for helping customers manage their supply chain. As members of Affiliated Distributors (AD), we have vast sourcing capabilities that allow us to provide products that match each customer's unique situation.

Custom Bandsaw Blade Welding

Mars Supply is the only Lenox Certified Weld Center in the Twin Cities! We custom weld Lenox blades to length, providing quick customer service and delivery. As a Lenox Certified Weld Center, Mars Supply is committed to delivering the highest quality performance bandsaw blades on the market. We carry thousands of feet of carbon steel, bi-metal and carbide-tipped coil stock so we are bound to have the blade material you need when you need it. We can weld up to 2" wide blades and can ship them the same day!

Additional Value-Added Services

Mars Supply offers a vast portfolio of additional services designed to save you time and money. These value-added services include:

- Air/Electric Power Tool Repair ~
