

Our Most Popular Mat!

Series #500

Industrial Deck Plate Anti-Fatigue Matting

DRY AREA | BETTER

With its incomparable durability, Industrial Deck Plate is by far the most widely used style of product in the industry. Long lasting ergonomic mat designed for work station where oil and chemicals are used. Relieves stress on knee, foot and ankle joint pressure points resulting from long standing. Provides maximum slip resistance to protect workers from slips and falls.

FEATURES

- Deck plate surface fused to an industrial grade PVC foambacking to offer comfort and relief
- Exclusive Fusion technology bonds the layers to reduce the possibility of product separation
- Durable slip-resistant surface tolerates cart traffic
- Contains up to 50% recycled material in top surface

**50% thicker
than the
competition!**
