PURPLE SNAKE® Beverage Hose

Internationally the #1 hose for the brewing and beverage industry!

PURPLE SNAKE® is the ideal hose for breweries, winepresses, bottlers and many other installations in the brewing, beverage and spirits industry. The white, non-porous and smooth CIIR lining is absolutely neutral to taste and odor, homogeneous, smooth and free of plasticizers. Flexibility, pressure resistance and long service life – even under extreme working conditions. **Suitable for pure alcohol up to 98% • Temperature range up to +85°C (+95°C max. 60 minutes) • Can be steamed up to +130°C (max. 30 minutes) • Working pressure up to 16 bar • Reinforcements: synthetic fibers • CR/SBR/NR-cover, resistant to ozone, weather, UV and abrasion**

NovaFlex® 6506 Beverage Hose

Connoisseurs Food & Beverage Hose

NovaFlex® 6506 is a special kink and crush resistant suction and discharge hose, designed for those more demanding applications requiring a product that meets 3-A (cert# 1376), FDA & USDA standards. Designed to meet the temperatures and chemical resistance associated with "cleaning in place" systems. This ultra smooth microbe resistant tube is built for non-oily applications, on special stainless steel mandrels for cleanliness. **White Chlorobutyl tube (non-oily applications) • Reinforcement of multiple plies of polyester tire cord & dual monofilament helix • Gray EPDM abrasion resistant cover • 100 foot length • Temperature Range: -40°F (-40°C) to +240°F (+116°C) • Cleaning in place to 248°F (+120°C) • Not for continuous steam service**
